**Recent Events/Events as if now that were discussed:**

**Homecoming:**

- Good traits/ what we want to continue doing:
  - Many people stayed and danced the whole time they were there.
- Changes we need to make:
  - Food- Sandwiches were too big and not many were eaten/ had many leftovers.
  - Homecoming Week: Neon Day- A lot of people dressed up but were in trouble for what they were wearing.
  - Have more creative days for Homecoming week, pep rallies that would involve the days, make the days competitive for the grade levels to make the school more unified.

**Trunk Or Treat:**

- Good traits/ what we want to continue doing:
  - The Cars have improved and the decorations were fantastic!
- Changes we need to make:
  - Better Communication with the community and school about where to park, the time, etc.

**Corn Maize Social:**

- Changes we need to make: Better participation

**Anti-Bullying Movement:**

- Good traits/ what we want to continue doing:
  - Sold a lot of T-shirts- The whole dance team bought shirts!!
- Changes/ Ideas:
  - Have reflections about any event/ situation a person had with their “Stop Bullying” T-shirt on. Start this idea during next semester...
  - Maybe have high school students go to Daycare Centers or Pre-K classes and teach them about bullying. Maybe every month or just a 1 time class/ event. Not only in daycare centers but also to the Cluster schools as well. This idea

will go to Community Service if followed through.

**Upcoming Events that were discussed:**

**Mix-It-Up: Each Committee will help on this big project!! Nov. 14-18**

- The last “bullying” lesson will be on Weds.
- Ideas:
  - Encourage advisement teachers to “Mix it up”
  - Icebreakers during the advisement class
  - Play music during lunch/ have round tables
  - Maybe have tacky day on Friday of Mix It Up week
  - Also have name tags for each table
  - On the last bullying advisement lesson, maybe we can have a flash mob with the T-shirts.
- How to divide up the tables:
  - Our theme is “Be Some one's Hero” so maybe have cartoon superheros to go with our theme.
  - Each table will have a different superhero and at that table the facilitator will talk about the strengths and weaknesses about the character. Talk about the character’s background and how they overcame their fear or hardship through their life through the story.
  - Each committee will have a superhero... Maybe have 10 superheros total
  - During Mix It Up week, community service will hold a Teacher Service Week, where Council Members volunteer to arrange the desk in a different order or reorganize the room, etc. Council members will stay right after school and will get Service hours.
